ISSUE 1

APRIL 2025

Message from the Campus Director Sir

Dear Students, Faculty, and Staff,

It gives me great pleasure to connect with you through this edition of the Library Newsletter. The library is often referred to as the heart of an academic institution, and rightly so — it is a place where knowledge is not just stored, but constantly discovered, shared, and expanded.

At Chandigarh College of Technology, we are committed to nurturing a culture of continuous learning, critical thinking, and academic excellence. Our library plays a pivotal role in this mission by offering access to a rich collection of books, journals, digital resources, and learning spaces that inspire intellectual curiosity.

I am proud of the strides our library has made in embracing technology and innovation to serve the evolving needs of our students and faculty. From digital databases to online access to global academic resources, we are ensuring that knowledge is always within reach.

I encourage everyone to make the most of what the library has to offer—not just as a resource center, but as a place for reflection, collaboration, and growth.

With best wishes,

Prof. (Dr.) P.N. Hrisheeksha
Campus Director
